

Our Objective

Our social investment strategy is designed to support positive impacts in communities where we live, work and play. We partner with organizations and build relationships that can find social, economic and environmental solutions to the challenges we face in our world today.

Priority Areas For Funding from Enhance

Our four priority areas for community investments are aligned with Enhance's core values. We focus our funding to support positive impact in the communities that we live, work and play.

Our funding decisions are guided by a set of criteria and are aligned with our social investment and business priorities.

Knowledge Sharing

Building public and industry confidence in CCUS by learning through shared experiences

Community Resilience

Supporting the wellbeing of thriving communities

Energizing Rural Areas

Connecting with rural communities in energy transformation, future fit skills and economic resilience

Youth Readiness

Engaging with young people focusing on the future

Indigenous Reconciliation

Reconciliation in action with Indigenous Communities

Our focus on Indigenous Reconciliation shows up in each of these four priority areas. We welcome applications that incorporate Indigenous Reconciliation as a foundational element within any of our four priority areas.

Types of Eligible Funding from Enhance

- Donations: To registered charities and community group activities aligned with our priority areas.
- Sponsorships: We support activities and events that are aligned with our business interests and priority areas.
- **Time and Resources:** Related to priority areas, Enhance staff may support participation in community events, chambers of commerce and rural business development, educational opportunities for youth and communities.
